IMAGES	DESCRIPTION
	<p><b>Steelcraft Strider Plus 3 wheeler.</b>            This Deluxe Baby Travel System Stroller has a reversible 3 position reclining seat, cushioned baby insert for additional comfort, boot cover, and a large canopy to provide shade.            It will take an infant carrier from the car restraint or a bassinet (sold separately) and will accommodate a Second Seat for second child.            The large shopping basket has front and side access if the second seat is attached.            It is easy to fold with or without seats (main and second) attached and has quick release front and rear wheels to fit smaller spaces.            Suitable for a child from birth to 20kgs and the second seat takes a child up to 15kg.</p>
	<p><b>Steelcraft Strider 3 wheeler</b>            It has a light aluminium frame with an adjustable handle, quick release wheels including the lockable front swivel wheel with a hand height swivel lock adjustment.            The carriage seat is reversible so you can walk with the baby facing you or looking out at the world. It has a three position seat so is suitable for newborn to 17 kg.            A bassinet accessory is available separately. Also comes in pebble.</p>
	<p><b>Steelcraft Eden Terrain 3 wheeler.</b>            Deluxe suede padded insert, head support and shoulder harness covers and rain cover. Extra large storage pockets. It has large wheels with bike type tyres for a smoother ride and comes with its own tyre pump and boot cover. 12 Month warranty. 3 position back rest.</p>
	<p><b>Side-by-side Twin 3 wheeler</b>            Side by side convenience. Lightweight aluminium frame. Independent multi-position recline on each backrest. Single canopies and handlebars, and adjustable leg rests for individual convenience. Two individual baskets. Includes head snugglers, bootcover and rain-cover. Seat weight capacity - New born to 17kg per seat. Quick release folding mechanism.</p>
